

## **ACKNOWLEDGEMENTS**

This cultural resources investigation benefited greatly from the input and suggestions provided by a number of residents and cultural resource management and project design officials. Kise Straw & Kolodner, Inc. (KSK) would like to thank all of the individuals who contributed to this investigation, especially David DuPlessis and other project staff at Johnson Mirmiran & Thompson, Mike Hahn at the Delaware Department of Transportation, Gwen Davis and Robin Bodo with the Delaware State Historic Preservation Office, staff members at Woodland Apartments, and staff members at the Delaware Department of Children, Youth, and Their Families (the Ferris School). Susan Mulcahey Chase also provided some research ideas regarding the Woodland Apartments subdevelopment.

KSK would also like to acknowledge those current and former members of its staff who contributed to the completion of this project. Judith Kennedy and Johnette Davies performed background research and historic structures evaluations for the historic architectural portion of the project. Vanessa Zeoli, Kimberly Morrell, Elizabeth Burling and Toosdhi Perry assisted with field survey tasks and survey form preparation. This report was prepared by Johnette Davies and Elizabeth Burling with the aid of previous efforts by KSK's former project staff, Judith Kennedy and Glenn Ceponis. Dawn Turner produced the report graphics.
